WHO WE WORK WITH

Secondary schools

Learners

Teachers

Third Sector

Government

OUTCOMES

For learners

- Knowledge and understanding of 7/7 and its consequences through powerful narratives
- Mature adulthood through social and emotional life skills
- Developing a constructive, positive, rational mind set
- Building confidence and self-worth through activities that positively impact the real world
- Understanding that diversity is local response to universal needs
- Developing empathy

For teachers

- Access free, unique, high quality resources
- Meet curriculum requirements AND promote life skills: responding to adversity, contextualising diversity, encouraging empathy
- Promote positive, secular, a-political messages
- Provide a non-confrontational approach to controversial issues including extremism
- Non examination based learning

MIRIAM'S VISION:
A RESPONSE TO THE
2005 LONDON BOMBINGS

OUTCOMES

For schools

- Fulfil the "duty to prevent people from being drawn into terrorism" (The Prevent Strategy, 2011)
- "Promote fundamental British values of democracy, rule of law, individual liberty, mutual respect and tolerance of those with different faiths and beliefs"

For employers

A flexible workforce that:

- is adept in social, emotional and intellectual skills
- communicates effectively
- questions received wisdom
- respects other value systems

For the community

- Safer from extremism
- Better awareness of the needs of others
- More genuinely inclusive and cohesive
- Improved relationships and atmosphere
